Item 8.01 Other Events.

On September 14, 2016, Allison Transmission Holdings, Inc. (the “Company”) announced that its wholly owned subsidiary, Allison Transmission, Inc. (the “Issuer”), priced its offering of \$1 billion in aggregate principal amount of 5.000% Senior Notes due 2024 (the “Notes”) in a private placement (the “Offering”) exempt from registration under the Securities Act of 1933, as amended (the “Securities Act”). This represents a \$500 million increase in the size of the Offering from the previously announced offering amount. The Issuer intends to use the net proceeds from the Offering, together with cash on hand, to repay approximately \$1.2 billion of its outstanding term loans and pay related transaction fees and expenses. The consummation of the Offering is expected to occur on or about September 23, 2016, subject to customary conditions.

This Current Report contains forward-looking statements. All statements other than statements of historical fact contained in this Current Report are forward-looking statements. In some cases, you can identify forward-looking statements by terminology such as “may,” “will,” “should,” “expect,” “plans,” “project,” “anticipate,” “believe,” “estimate,” “predict,” “intend,” “forecast,” “could,” “potential,” “continue” or the negative of these terms or other similar terms or phrases. Forward-looking statements are not guarantees of future performance and involve known and unknown risks. Factors which may cause the actual results to differ materially from those anticipated at the time the forward-looking statements are made include, but are not limited to: risks related to the Offering, including that such transactions may not occur; risks related to our substantial indebtedness; our participation in markets that are competitive; the highly cyclical industries in which certain of our end users operate; the failure of markets outside North America to increase adoption of fully-automatic transmissions; the concentration of our net sales in our top five customers and the loss of any one of these; future reductions or changes in government subsidies for hybrid vehicles; future reductions or changes in U.S. defense spending; general economic and industry conditions; the discovery of defects in our products, resulting in delays in new model launches, recall campaigns and/or increased warranty costs and reduction in future sales or damage to our brand and reputation; our ability to prepare for, respond to and successfully achieve our objectives relating to technological and market developments and changing customer needs; risks associated with our international operations; labor strikes, work stoppages or similar labor disputes, which could significantly disrupt our operations or those of our principal customers; and other risks and uncertainties associated with our business described in our Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K. Although we believe the expectations reflected in such forward-looking statements are based upon reasonable assumptions, we can give no assurance that the expectations will be attained or that any deviation will not be material. All information is as of the date of this Current Report, and we undertake no obligation to update any forward-looking statement to conform the statement to actual results or changes in expectations.
